INITIATIVE MEASURE TO BE SUBMITTED DIRECTLY TO THE VOTERS

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

(Here set forth the title and summary prepared by the Attorney General. This title and summary must also be printed across the top of each page of the petition whereon signatures are to appear.)

TO THE HONORABLE SECRETARY OF STATE OF CALIFORNIA

We, the undersigned, registered, qualified voters of California, residents of _____ County (or City and County), hereby propose an amendment to the Constitution of California, relating to truth and justice, and petition the Secretary of State to submit the same to the voters of California for their adoption or rejection at the next succeeding general election or at any special statewide election held prior to that general election or otherwise provided by law. The proposed constitutional amendment (full title and text of measure) read as follows:

When a fact supporting an order or judgment is shown or proved to be false, the underlying order or judgment must be vacated, as an order or judgment obtained by fraud. No statute of limitations may defeat this rule, as the fraud is ongoing as long as the order or judgment exist. The Judge making the vacated order or judgment shall not make any further orders or judgments in the case, except the Judge may vacate the fraudulent order or judgment.

All decisions of the California Appellate Courts and California Supreme Court must be published. All orders and or judgments must comply in all respects with California Law at the time of the action. No order or judgment can be a final order or judgment until all aspects of the case are consistent with published law. This rule must apply notwithstanding rulings of the California Appellate or Supreme Courts.

Any decision of the California Appellate or Supreme Court that changes current law does not apply to the case under consideration. The change will be effective on cases whose action occurs after the date of the change in the law.
